Cascade Asset Management Donates to Habitat

INDIANAPOLIS, IN – On November 8th, Habitat for Humanity of Greater Indianapolis' HomeStore employees went to Cascade Asset Management in Plainfield, IN to pick up storage racks for use in Habitat's HomeStore. Cascade donated 360 various sized racks, valued at approximately \$9,500. This new partnership has been formed because of this donation.

"We are pleased to extend the useful life of these pallet racks from our operations and feel honored that they will now be a part of Habitat for Humanity," says Josh Kemp, Cascade's Indiana Operations Manager.

Habitat's HomeStore Manager, Tom Graves, was "thrilled" to receive much needed storage racks for displaying additional items in the store. "With display/storage racks, we can showcase so many more items for sale and it makes it easier for customers to both view and purchase those items. This was a very generous donation that will be utilized immediately in our store." The Habitat HomeStore relies on donations from corporations and individuals to sell at a discount to the public. The income received allows Habitat to pay for overhead expenses and help build more homes in Indianapolis. The Habitat HomeStore is open to the public, Monday, Thursday, Friday and Saturday from 9:00 a.m. – 2:00 p.m. For donation pick ups call, 317-921-2121 ext. 189.

Cascade Asset Management is hosting a facility open house on Thursday, November 15th at their Plainfield location, 853 Columbia Road, from 1:00 p.m. – 7:00 p.m., complete with educational seminars and a job fair.
