**Electronics Recycler Donates Service to Support Plainfield Chamber**

**Plainfield, IN – February 22, 2008** - Cascade Asset Management (Cascade), Indiana's leader in providing full-service IT asset retirement solutions, is pleased to announce its support of the Plainfield Indiana Chamber of Commerce and their annual silent auction fundraising event on February 23. The company will provide a one-time free rental of a lockable secure bin to collect retired electronics and pick-up service to the auction's highest bidder, an offer valued at over \$500.

"Cascade is proud to support this event and the Chamber. We value our membership to the organization and its efforts within the Plainfield business community," says Toral Jha, Cascade's Industry Relations Representative.

The winner of Cascade's secure bin will benefit from avoiding digital media or office equipment compromise as well as a one-time access to the company's full-service computer and other technology equipment retirement solutions. The company upholds a strong commitment to ensuring the highest protections for data security, asset value, and the environment.

Monies raised during the auction will fund the Plainfield Chamber's Christmas light decorations, scholarship awards, and operating costs in 2008.
